### AIR BASE ORDER 5110.1A

From: Commander  
To: Distribution List

Subj: OFFICIAL MAIL COST CONTROL PROGRAM (OMCCP)

Ref: (a) DoD 4525.8M  
(b) USPS Publication 25, A Guide to Business Mail Preparation  
(c) USPS Publication 28, Postal Addressing Standards  
(d) MCO 5110.5C

Encl: (1) Consolidated Official Mail Sites  
(2) Appointment of Official Mail Manager Sample Letter  
(3) Delivery Address  
(4) Placement of Return Address  
(5) Official Mail Manager's Inspection Checklist

1. Purpose. To inform official mail users of changes in the Department of Defense (DoD) Official Mail Cost Control Program (OMCCP) and assist units/organizations in making official mail compatible with the new United States Postal Service (USPS) automated mail processing system.

### 2. Information

a. The USPS is rapidly automating mail processing. The USPS is now capable of placing a postnet bar code on every piece of mail. The bar codes graphically represent the Zip+4 code and will be used to automate mail processing from the point of entry into the USPS to the point of delivery. Optical Character Readers (OCR) are utilized to apply the postnet bar code onto the mail. Benefits of more efficient and accurate mail processing, improved consistency of delivery and lower postal operating costs are being accrued by the USPS as a result of automation.

b. Reference (a) established the DoD OMCCP. The objective of this program is to control DoD official mail cost through proper and cost effective use of the USPS. References (b) through (d) provide guidance and exact specifications for the proper preparation of official mail envelopes and addresses to ensure compatibility with automated mail processing.

ABO 5110.1A  
**1 JUN 2000**

3. Action

a. To achieve a systematic merging of outgoing official mail into the USPS automated mail system and to comply with the procedures of references (a) and (d), the commanders will:

(1) Appoint Official Mail Managers (OMMs) for each group, unit, and organization listed on enclosure (1) for the purpose of supervising the activities' OMCCP. The OMM shall be a commissioned, warrant or noncommissioned officer (E-7 or higher) or DoD civilian (GS-7 or above). Assistant OMMs may be appointed to perform the OMM duties in the absence of the OMM. Appointments will be in writing and will include the appointee's official address and telephone number. See enclosure (2) for format. The appointment letters are submitted to the Installation OMM, Marine Corps Air Station (MCAS) Miramar Military Postal Facility, Bldg. 2257. The OMCCP training will be conducted annually. Class dates will be announced by the installation OMM.

(2) All groups, units, and organizations listed in enclosure (1) will establish a consolidated official mail site. These sites will become the central points for the acceptance and consolidation of all outgoing official mail generated within their group, unit or organization. After consolidation, each site will bring their outgoing official mail to the Military Postal Facility for postage to be affixed.

(3) Ensure all addresses on outgoing official mail are typed or printed by other mechanical means, in all capital letters with no punctuation. Rubber stamps generally do not print an address readable by USPS automation and shall not be used. Exception: activities engaged in hostilities or field exercises are not required to comply but are encouraged to do so when possible.

(4) Ensure all addresses (both delivery and return) are properly placed and formatted on all mail pieces. Enclosures (3) and (4) provide specific requirements per reference (c) and (d).

b. Postal Officer

(1) Initiate inspections of activity OMCCPs. Per reference (a), these inspections will be unannounced and conducted on an annual pass/fail basis. The OMM Inspection Checklist (DD Form 2495) will be used to conduct the inspection. A copy is provided as enclosure (5) of this Order, and is Figure 2-1 in reference (a).

ABO 5110.1A  
**1 JUN 2000**

(2) Ensure a systematic merging of official mail into the USPS automated mail system is accomplished. Ensure users comply with the references.

4. Concurrence. The Commanding General, 3d Marine Aircraft Wing and the Commanding Officer, Marine Aircraft Group 46 concur with the provisions of this Order.
